

95"
(2413mm)

The diagram shows a vertical hanging light fixture. At the top is a rectangular canopy. A vertical stem descends from the canopy, featuring a break symbol (two parallel diagonal lines) to indicate a long section. The stem terminates in a decorative, teardrop-shaped glass shade. Inside the shade, a rectangular luminaire housing is visible, which contains a vertical cylindrical light bulb. Dimension lines and text specify the overall height, the height of the shade, and the width of the fixture at its base.
